4 Eligibility

〈Nationality Requirement for both Regular(Non-Transfer) and Transfer Students〉

- Applicants and both of their parents must be non-Korean nationals.
 - * Nationality criterion is evidenced only if applicants and both of their parents acquire non-Korean nationality by the time the applicant begins the curriculum corresponding to the educational programs of Korean high schools.
- Multi-nationals with Korean citizenship are not eligible.
- Eligible Nationality Status must be established before the application due date.

1. Regular(Non-Transfer) Admissions

- ▶ He or she must have completed his or her entire elementary and junior high school education and; he or she must have completed [(Spring, 2026) including students expected to graduate in [February 2026](#) / (Fall, 2026) including students expected to graduate in [August 2026](#)] high school education at a comparable and equivalent level to that which is provided in Korea.
- ※ Applicants who have completed home schooling, cyber learning, or taken qualification exams in Korea or abroad (e.g GED) during their 12 years of primary education are NOT eligible for enrollment.

Formal Education Equivalents to the Korean High School System

※ Enforcement Decree in the Law of Elementary & Middle School Education No. 98-1-9

Years of Education			1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	
Korean System			Elementary School						Middle School			High School			University				
Foreign System	12	5 – 3 – 4 – 4	5 years					3 years			4 years			4 years					
	13	6 – 4 – 3 – 3	6 years						4 years			3 years			3 years				
	11	6 – 3 – 2 – 5	6 years						3 years			2 years			5 years				
	13	2 – 4 – 3 – 4 – 3	2 years		4 years				3 years			4 years				3 years			
	12	8 – 4 – 4	8 years										4 years			4 years			

- Applicants should complete all formal education in ONE country.
- Applicants who have studied in more than 2 countries should complete 12 years of education.
 - Applicants who have completed less than 11 years should apply for high school as a Regular or transfer within Korea or overseas.
 - In the case of 11–year foreign systems (see chart above), applicants should complete the last 3 years of education in ONE country in order to acquire high school qualification.
 - For students with unfinished years due to a gap in their education system, the period of years at an overseas university will be counted as equivalent to Korean high school years.

Criteria for Qualification of High School Graduation

- High school graduation should be completed by the day prior to the opening day of admission to KNU in order to qualify. However, for applicants from countries in which the academic year and the opening day of school differ by more than one (1) month from Korea (e.g., Japan), one (1) full month of attendance at an overseas high school will be approved as equivalent to graduation.

2. Transfer Admissions (3rd Year)

- Graduated or about to graduate before (Spring Semester, 2026) [January 2026](#) / (Fall Semester, 2026) [August 2026](#) from a 2 or 3–year accredited college or completed at least two years (4 semesters) of a 4–year university program (over 65 credit hours).

※ NOTES

- 1) You can apply only with the same or similar major as the university major you studied.
- 2) Those who have completed two years at a 3–year university are not eligible.
- 3) Those who graduated from a university that does not have a credit system are not eligible.
- 4) Those who are enrolled at KNU cannot apply for transfer admission.
- 5) Applicants who have completed home schooling, cyber learning, or taken qualification exams in Korea or abroad during their entire education period are NOT eligible for enrollment.

3. Eligibility for Language Proficiency

A. Transfer Applicants: Level 4 TOPIK (TOPIK IBT) Certificate (or higher)

- ※ (Spring Semester 2026) Applicants who have taken the 102nd or 103rd TOPIK may apply using their test registration slip; however, a score of Level 4 or higher must be submitted [by December 24, 2025 \(Wed\) 1:00pm](#).
- ※ (Fall Semester 2026) Applicants who have taken TOPIK may apply using their test registration slip; however, a score of Level 4 or higher must be submitted by [mid-June 2026 \(specific test dates to be announced following the release of the 2026 annual TOPIK schedule\)](#).
- ※ The Department of Business Administration will recognize only language proficiency test scores submitted by (Spring Semester 2026) [November 6, 2025 \(Thu\) 6:00pm](#), (Fall Semester 2026) [May 7, 2026 \(Thu\) 6:00pm](#)

B. Regular(Non–Transfer) Applicants: Among applicants for Regular(Non–Transfer) admission, those applying to the 23 departments (A) listed in <Table 1. Minimum Language Proficiency Requirements by Department> must meet the Eligibility for Language Proficiency (B) specified for each department. APPENDICES

1 Apostille

Since July 14, 2007, the Republic of Korea has been part of the 1961 Hague Convention abolishing the Requirement of Legalization for Foreign Public Documents. The Convention provides for the use of simplified certification of public documents (including notarized documents) among countries that have joined the convention. The Apostille designation ensures that public documents issued in one signatory country will be recognized as valid in another signatory country.

※ **NOTE:** Newly admitted students from countries that are signatories to the convention must meet the following requirements:

- ① Official certificates (transcripts, diplomas, etc.) from public schools or institutions should be submitted together with an “Apostille” attachment.
- ② Official certificates (transcripts, diplomas, etc.) from private schools or institutions, however, should be officially notarized by a notary, agency, or any other authority competent under the law of the country of origin of the certificates; then, the certificates should be submitted together with an “Apostille” attachment.

※Signatory Countries for Apostille Certificates

Albania, Andorra, Antigua and Barbuda, Argentina, Armenia, Australia, Austria, Azerbaijan, Bahamas, Barbados, Bahrain, Belarus, Belgium, Belize, Bolivia, Bosnia–Herzegovina, Botswana, Brazil, Brunei Darussalam, Bulgaria, Burundi, Canada, Cape Verde, Chile, China, Colombia, Cook Islands, Costa Rica, Croatia, Cyprus, Czech Republic, Denmark, Dominica, Dominican Republic, Ecuador, El Salvador, Estonia, Eswatini, Fiji, Finland, France, Georgia, Germany, Greece, Grenada, Guatemala, Guyana, Honduras, Hungary, Iceland, India, Indonesia, Ireland, Israel, Italy, Jamaica, Japan, Kazakhstan, Korea, Kosovo, Kyrgyzstan, Latvia, Lesotho, Liberia, Liechtenstein, Lithuania, Luxembourg, Malawi, Malta, Marshall Islands, Mauritius, Mexico, Monaco, Mongolia, Montenegro, Morocco, Namibia, Netherlands, New Zealand, Nicaragua, Niue, Norway, Oman, Palau, Panama, Paraguay, Pakistan, Peru, Philippines, Poland, Portugal, Republic of Moldova, Republic of North Macedonia, Romania, Russian Federation, Saint Kitts and Nevis, Saint Lucio, Saint Vincent and the Grenadines, Samoa, San Marino, Sao Tome and Principe, Saudi Arabia, Senegal, Serbia, Seychelles, Singapore, Slovakia, Slovenia, South Africa, Spain, Suriname, Sweden, Switzerland, Tajikistan, Tonga, Trinidad and Tobago, Tunisia, Turkey, Ukraine, United Kingdom, United States of America, Uruguay, Uzbekistan, Vanuatu, Venezuela

	Life Science and Biotechnology		Integrated Natural Science Bldg. 312	219	950-6350	
	Earth System Science	Geology	Natural Science Bldg.2, 113	210	950-5354	
		Astronomy and Atmospheric Sciences	Natural Science Bldg.2, 314	210	950-6360	
		Oceanography	Biology Bldg. 421	217	950-5396	
	Statistics		College of Natural Sciences, 411-2	209	950-5364	
Economics & Business Administration	Economics and Trade		College of Economics & Business Administration 2, 105	309	950-5406, 5407	
	Business Administration		College of Economics & Business Administration 2, 317		950-5439, 5417	
Engineering	Materials Science and Metallurgical Engineering		College of Engineering Bldg.3, 509	409	950-5559	
	Advanced Materials Science and Engineering		College of Engineering Bldg.8, 215	419	950-5631	
	Mechanical Engineering		College of Engineering Bldg.3, 311	409	950-5568, 5569	
	Applied Chemistry	To be merged into the Department of Applied Chemical Engineering in 2026	College of Engineering Bldg.1, 213	404	950-5581	
	Chemical Engineering		College of Engineering Bldg.9, 101	406	950-5615	
	Architecture		College of Engineering Bldg.2, 316	401	950-5590	
	Polymer Science Engineering		College of Engineering Bldg.9, 119	406	950-5623	
	Civil Engineering		College of Engineering Bldg.2, 216	401	950-5607	
	Textile System Engineering		College of Engineering Bldg.1, 315	404	950-5638	
	Environmental Engineering		College of Engineering Bldg.6, 313	410	950-6580	
	Energy Engineering		College of Engineering Bldg.7, 209	411	950-8970	
IT	Electronics Engineering		College of IT Bldg.1, 409	418	950-5506	
	Computer Science and Engineering		IT Convergence Engineering Bldg. 317	415	950-6420, 6509	
	Electrical Engineering		IT Convergence Engineering Bldg. 413		950-5600
